

Three years of ownership, side by side.

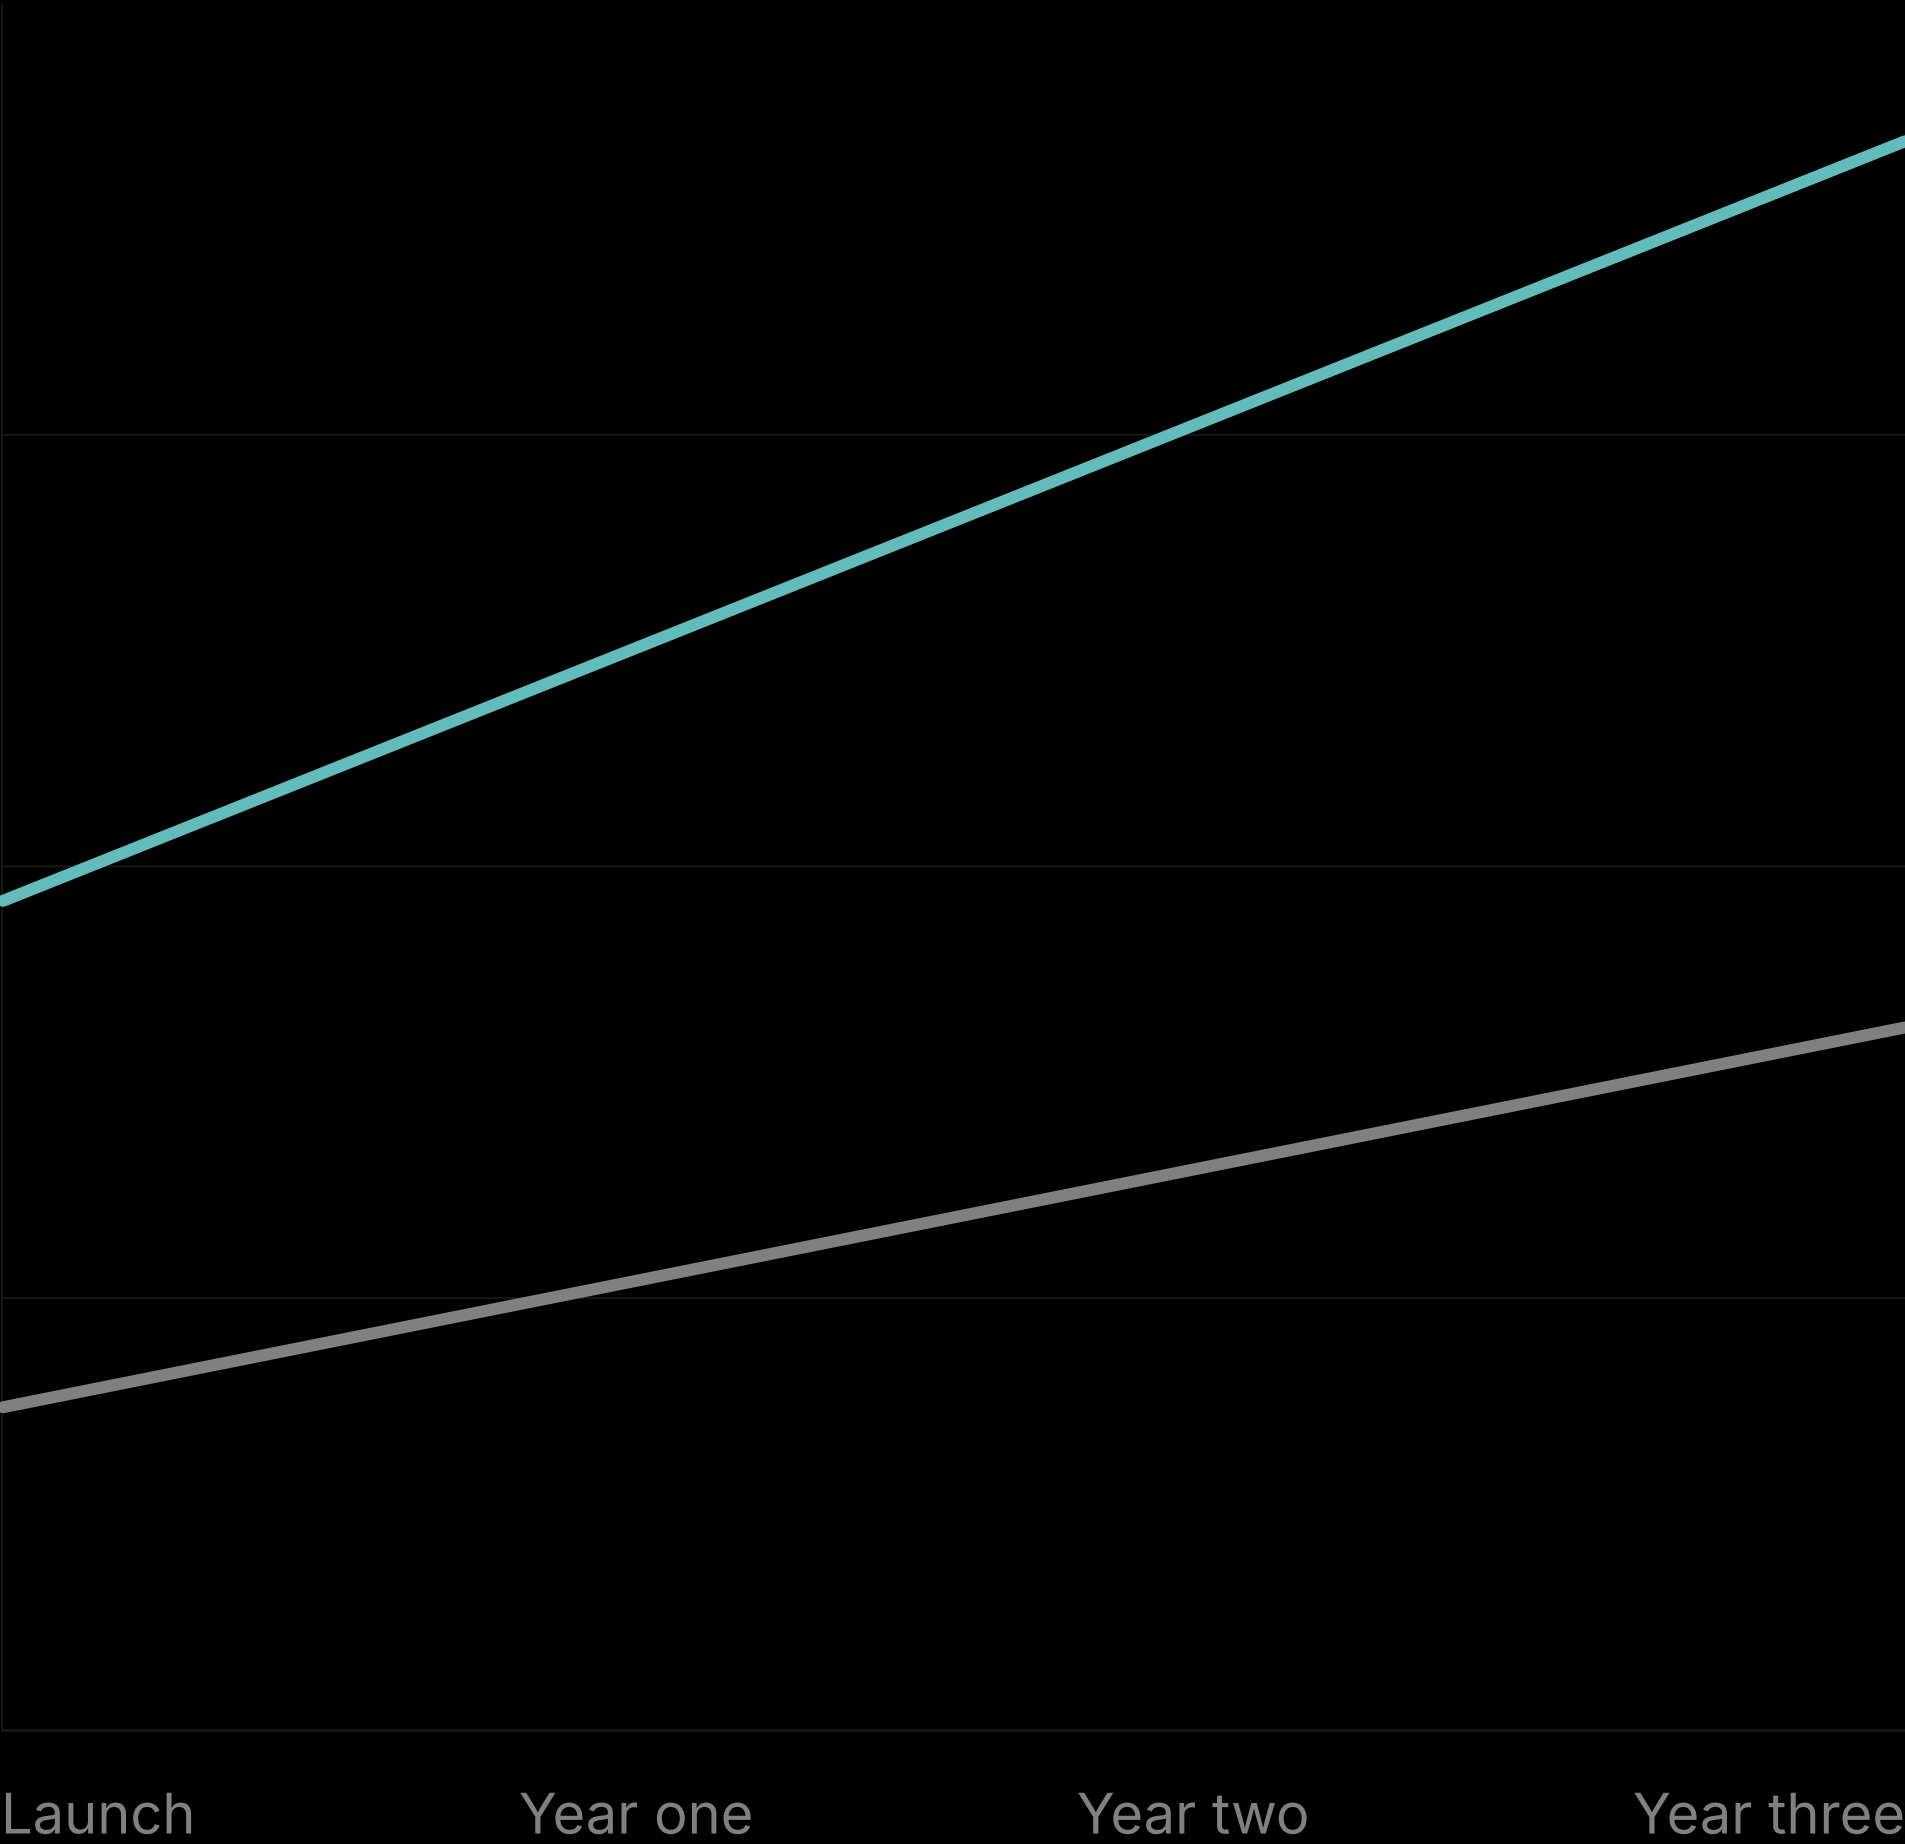

Relative cost units: building from scratch versus this tested store.

STAGE	FROM SCRATCH	TEMPLATE
Launch	6	2
Year one	8	3
Year two	10	4
Year three	12	5

The gap widens every year.

Cost at each stage, in the same relative units as the table.

From scratch Template

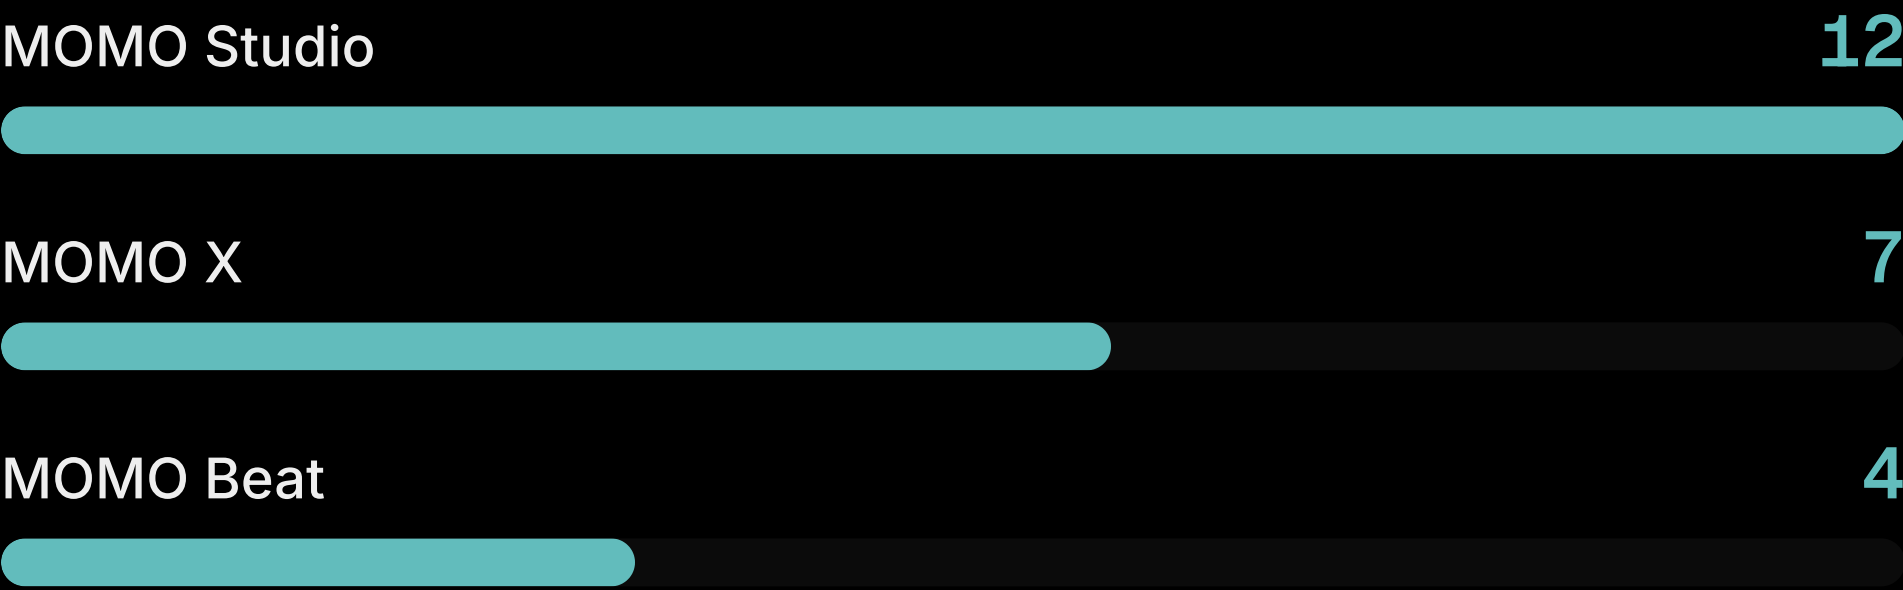

Your team changes the store, not a developer.

Everyday changes move from a ticket to a page in the admin.

CHANGE	BEFORE	WITH THIS STORE
Theme	Developer ticket	Theme editor
Discounts	Code change	Discounts page
Email	Agency send	Campaign builder
Restock	Lost sale	Waiting list

Sold out, still selling.

Waiting per product in the demo store, emailed when stock returns.

A working store, made yours.

Start from a tested template, spend time on what sets you apart.

INCLUDED

Storefront with
product pages

Checkout with
Stripe test mode

— READ THE FULL STORY

Build vs buy, with the receipts.

Architecture, test growth, security posture and the business case are all in the public case study.
